

Product Specification

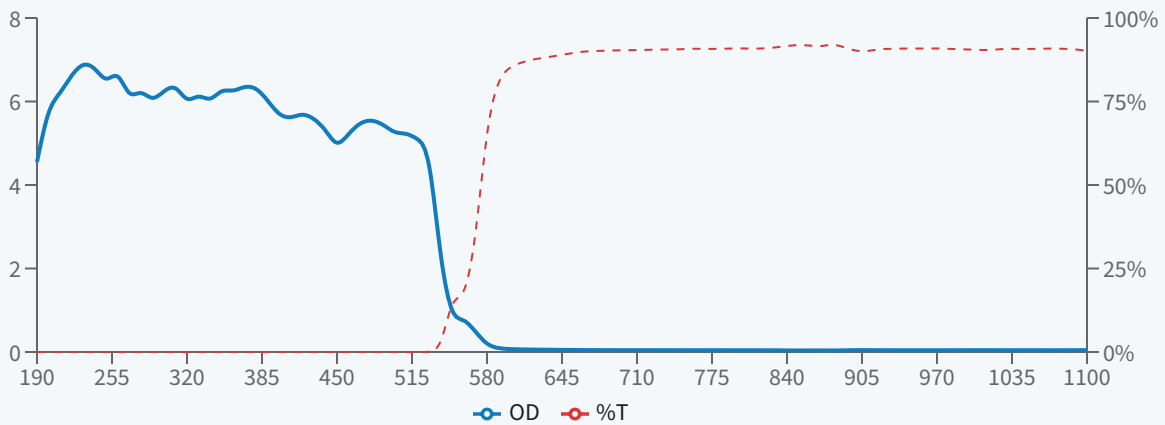

CC3

Filter color: Orange
Luminous transmittance:
35% Photopic (daylight)
4% Scotopic (nighttime)

Optical Density

Wavelength (nm)	OD
190-400	5+
>400-532	4+

Spectrophotometer Data

NoIR LaserShields and GlareShields meet ANSI Z87+ impact and Z136.1 laser safety standards.
Some models meet the MIL ballistic impact requirements.
